### HILLS AND WATERWHEELS

Pentlands Open Studios use branding imagery derived from, and inspired by, our proximity to the Pentland Hills and the many waterwheels which used to power the mills on the Water of Leith. At one time there were over seventy mills on the Water of Leith, twelve of which were in our area, alone.

## Key to Individual Studio Access

*Disabled Access Yes/No*

*Dogs Welcome Yes/No*

*All assistance dogs welcome*

Pentlands Open Studios is a collective of professional artists whose studios are united by their location near the upper valley of the Water of Leith, Edinburgh's principal river, and its adjoining walkways. Nestled in the southwest of the city at the foot of the Pentland Hills, the artists work across a wide range of media and craft disciplines.

### PLEASE TAKE CARE

Our Art Trail Studios are located in 10 different venues, which include: domestic interiors; garages; workshops; garden studios and community public spaces. There may be steps, stairs, narrow passageways, low ceilings, gardens, hills, plants and branches to negotiate. So, please take care and be aware of potential obstacles you might encounter on your visit. Pentlands Open Studios and Pentlands Arts Festivals cannot accept responsibility for members of the public visiting artists' studios or linked activities. Visitors participate in the POST art trail entirely at their own risk.

Our Art Trail consists of 10 individual studio and community exhibiting locations, some of which are shared by more than one artist. There is a total of 18 artists and makers participating in the trail. Please refer to the map pages and the individual artist listings for exact studio address locations and access information.

### What3Words

We encourage visitors to use *What3Words*, a web and app-based system that divides the world into 3metre squares, each assigned a unique three-word name.

Each POST studio's unique three-word location is listed in the brochure and on the website, making it easier than ever to find your way. For the easiest experience of all, just click on the *What3Words.com* link on the relevant artists pages on our website.

## PIT STOP CAFÉ

Located in the CVE 'Shed' in Spylaw Park, Colinton, below the road bridge, the *Pit Stop Café* will be open both days for light refreshments and toilets as well as printed information about the Art Trail. Parking is available nearby by taking the turning off Bridge Road at the bend, down towards the river.

## WALKING AND CYCLING

Part of the charm of the Art Trail is that it borders the Water of Leith which runs through each locale and for the energetic, the path along its banks offers a scenic cycling or walking alternative, with access to the studio locations. It is approximately four miles from the centre of Balerno to Colinton by road or walkway.

## AROUND AND ABOUT

Outwith the open studios, there are many interesting buildings, monuments and artworks to see. If you have the time, visit the murals in the Colinton Tunnel and at Cuddies Lane, and observe the wildlife along the Water of Leith walkway.

## GETTING AROUND

Located within such a small area, it would be possible to visit all of the 10 studios in one day. The villages are well served with the numbers 16 and 44 bus routes to and from the city centre, as well as the 45 bus (Saturday only). Lothian Buses offer day tickets which let you hop on and off at no extra charge: *Adult* £5.50; *TapTapCap* £5.00; *Child* £2.75; *Family* £12.00 (ask driver for details).

## PARKING

Most of our studios are in artists' homes with no dedicated parking. On street parking is generally available but be aware that the immediate area around a studio will get busy over the art trail weekend, so please ensure that you park considerably.

## ENJOYING THE EXPERIENCE

Most Studios do not have public toilet facilities. There are many hospitality venues such as café's and public houses throughout the area, as indicated on the map, which can offer such facilities whilst taking a break from the pleasures of the trail.

If you wish to take photographs of artists' work or studios, please do check with the artists first.
